

Industrial gloves with 30% greater breathability, providing all-day comfort and protection

Everyday usability: Rajpal RST201 industrial gloves' nitrile coating makes them exceptionally breathable, for less irritable daily use.

Elevated comfort: Comfort fit Technology optimized lining relieves tension, for PPE gloves with peerless comfort.

Certified skin-friendliness: These RST201 gloves are also Dermatest-certified for skin-friendliness.

Guaranteed Cleanliness: In addition, they benefit from a proprietary washing process that removes impurities.

Enhanced grip: Beyond comfort, Rajpal RST201 industrial working gloves' nitrile foam coating delivers better grip in both dry and slightly oily conditions.

Improved durability: They also boast ANSI/EN-compliant abrasion resistance, for lasting wear.
