

RST301 (Red Liner with Black Wrinkle Latex)

RAJPAL RST301 Advantage:

This gloves by Rajpal has excellent strength and highest level of breathability due to its liner gauge of polyester liner.

This Glove has a high abrasion and tear resistance due to its more dense construction.

CERTIFICATIONS

EN 388:2016

INDUSTRIES:

- Automotive
- Machinery and Equipment
- Garden and Farm Work
- Metal Fabrication
- Factories & Mechanical
- Transportation

APPLICATIONS:

- Good for engineering, steel and automotive industry
- Handling of glass and metal sheets
- Assembly tasks that require cut protection
- Ceramic industry
- Aerospace and transportation
- Paper and carton industry
- Light to medium parts handling
- Construction material handling
- Maintenance work
- Warehousing
